## Greek Week Re-Cap:

Thank you to everyone who participated in Greek Week, it was a huge success! Monday, everyone did a great job with Kanstruction and showing Greek support in Hunger Week. Tuesday, Greeks had a blast playing traditional Greek games and supporting TCU athletics at the baseball game. Wednesday, Greeks supported the arts by attending the Schieffer Symposium and "Beware of Christians". Thursday was filled with chapter love by all Greeks wearing their letters. Friday, the Greek community gave back and helped support the Fort Worth community. All in all, we proved that Greeks really are better in Texas!

## Southeastern Panhellenic Conference Re-Cap:

While most college students were spending their Spring Break at popular beach destinations, over 1,000 Panhellenic women, including the TCU Panhellenic Executive Council, met in Atlanta, Georgia for the Southeastern Panhellenic Conference. At the conference, we were able to attend several educational and informative sessions on a wide variety of topics, ranging from sorority standards and focusing on ritual, to positive body image and relationships and dating. The goals of the conference are to help college Panhellenic and Sorority leaders build relationships, exchange ideas, and become inspired to make improvements to their own council and chapter. As a council, we all learned so much from the different sessions and are committed to using our new knowledge and inspiration to make our TCU Panhellenic community the best it can be!
